### **MUMTALAKAT SUPPORTS LOCAL COMMUNITY**

**Kingdom of Bahrain, Manama, 13 May 2010** - A team from Mumtalakat, the investment arm for the Kingdom of Bahrain, visited the Muharraq Social Welfare Centre last Thursday 13<sup>th</sup> May 2010, to meet and support the Centre's residents, its management and to make a donation to this important community work.

The Muharraq Social Welfare Centre was established in 1995 to provide social welfare, medical, psychological, living and recreational services for elderly people without family support and currently has 60 permanent residents. It also provides care, rehabilitation and treatment for more than 300 elderly people in their homes through a mobile care service.

Mumtalakat and its portfolio companies has a clear responsibility towards supporting the local communities, Mumtalakat's social investment strategy is to support local community organisations and institutions that provide valuable community services.
